

Donal O'Sullivan

Co Kerry

1st March 2018

Mr. Geoffrey Gray
Household Waste Collection,
CCPC,
Bloom House,
Railway Street,
Dublin 1,
D01 C576.

As a household waste customer I would have serious reservations to any interference with the private market that exists.

It would be my belief that any government interference or involvement will lead to

1. Less competition.
2. Poorer service.
3. Higher price.
