Competition and Consumer Protection Commission clears proposed acquisition by DCC Energy Limited/Emo Oil of sole control of Campus Oil Limited

3 February 2020

The Competition and Consumer Protection Commission has cleared the proposed transaction whereby DCC Energy Limited, a wholly-owned subsidiary of DCC Public Limited Company would acquire sole control of Campus Oil Limited and its subsidiaries. The proposed transaction was notified under the Competition Act 2002, as amended, on 22 December 2020.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.
