

MERGER ANNOUNCEMENT M/23/026 – FUJIFILM / CMC MATERIALS

Section 21 of the Competition Act 2002

Competition and Consumer Protection Commission clears proposed acquisition by FUJIFILM Holdings Corporation, through FUJIFILM Holdings America Corporation, of the entire issued and outstanding equity interests of CMC Materials KMG Corporation

27 July 2023

The Competition and Consumer Protection Commission has today cleared the proposed transaction whereby FUJIFILM Holdings Corporation, through FUJIFILM Holdings America Corporation, would acquire the entire issued and outstanding equity interests of CMC Materials KMG Corporation. The proposed transaction was notified under the Competition Act 2002, as amended, on 21 June 2023.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

Additional Information

FUJIFILM Holdings America Corporation is a 100%-owned subsidiary of FUJIFILM Corporation, which in turn is a 100%-owned subsidiary of FUJIFILM Holdings Corporation. FUJIFILM Holdings America Corporation controls several subsidiaries active in the following sectors: electronic materials, chemicals, electronic imaging, graphic arts and printing, industrial products, optical devices, recording media, imaging colorants, healthcare and pharmaceuticals.

CMC Materials KMG Corporation operates the electronic chemicals business of the Entegris, Inc. CMC Materials KMG Corporation manufactures and sells high purity chemicals (acids, solvents and other wet chemicals) used to clean, etch and dry silicon wafers used in the production of semiconductors, photovoltaics, and flat panel displays.
