

# MERGER ANNOUNCEMENT M/23/050 – RSK/GLOBAL RAIL SERVICES LIMITED

## Section 21 of the Competition Act 2002

**Competition and Consumer Protection Commission clears the proposed acquisition by RSK Environment Limited of Global Rail Services Limited and its subsidiary GRSL Limited.**

**29 September 2023**

---

The Competition and Consumer Protection Commission has today cleared the proposed transaction whereby RSK Environment Limited, a wholly-owned subsidiary of RSK Group Limited would acquire the entire issue share capital and sole control of Global Rail Services Limited and its subsidiary GRSL Limited. The proposed transaction was notified under the Competition Act 2002, as amended, on 14 September 2023.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

### **Additional Information**

RSK Environment Limited provides sustainable solutions in the energy, transport, property and construction, government, manufacturing, healthcare, professional services, food and drink, waste, water and mining sectors. Services include environmental, ground investigation and remediation, climate change, buildings and structures, design and engineering, agricultural, health and safety, lab testing and digital media and design services.

Global Rail Services Limited is part of the Global Infrastructure group. Global Rail provides services in the State including: civil engineering in the rail and energy sectors; building services in the rail sector; and mechanical and electrical services in the rail, State and telecoms sectors.
