

MERGER ANNOUNCEMENT M/25/038 – BC PARTNERS/ IGS GEBOJAGEMA

Section 21 of the Competition Act 2002

Competition and Consumer Protection Commission clears the proposed acquisition by Gutenberg Investment S.à.r.l., a company wholly owned and controlled by funds managed and/or advised by BC Partners LLP, of MMI Holding B.V.

03 July 2025

The Competition and Consumer Protection Commission has today cleared the proposed transaction whereby Gutenberg Investment S.à.r.l., a company wholly owned and controlled by funds managed and/or advised by BC Partners LLP, would acquire sole control of MMI Holding B.V. and its subsidiaries. The proposed transaction was notified under the Competition Act 2002, as amended, on 18 June 2025.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

Additional Information

BC Partners LLP is an international asset management firm based in the United Kingdom and engaged in the provision of investment management advice to the general partners and managers of its controlled funds. BC Partners LLP is active in the State through its portfolio companies which are active in a range of sectors, including veterinary services, professional services, and the provision of ceramics solutions for medical applications.

Gutenberg Investment S.à.r.l. is a private limited company registered in Luxembourg and is ultimately wholly owned and controlled by BC Partners LLP.

MMI Holding B.V. is the holding entity for the IGS group of companies and is a private limited company incorporated in the Netherlands and registered with the Dutch trade register. The IGS group of companies (namely, MMI Holding B.V., IGS B.V., IGS International Inc., and IGS GeboJagema Peachtree City LLC) design, manufacture, supply and maintain high precision moulds to companies in the medical

device, ophthalmology and industrial sectors (for example, for use in contact lenses, inhalers, and insulin pens).
