Paying too much for your car insurance?

Have you been hit with an increase in your premium? Policies and quotes vary between insurance providers so it is usually worthwhile to look and see if you can get a better deal. Before you renew, take some time to review your car insurance and see where you can make savings or if you should switch...

Know what to look out for before you pay a deposit

Do you know that deposits are usually non-refundable. This means that if you pay a deposit and then change your mind about the product or service, the business may not have to return your deposit? Before you pay a deposit make sure that you and the supplier are clear about all the details, including the deposit amount you pay, when the balance has to be paid, when the product or service will be delivered etc...
