### 1. Have you got a savings goal?

Our consumer helpline receives lots of calls from consumers in relation to savings. We get questions

on where to save, how safe your savings are and what to do with lump-sum inheritances. If you have a savings goal in mind, whether it's clearing debt, saving for a rainy day or if you are a first-time buyer saving for a deposit we can help you work out how you can reach your goal... ## 2. Thinking about getting health insurance?

If you think you might need health insurance now or in the future, there are new rules being introduced from 1 May 2015 that you should be aware of. We have lots of information on what to think about when buying a health insurance policy... [More information](#)

## 3. Do you know how to protect yourself from scams?

Scammers are always on the lookout for new ways to scam you. You can be targeted by scammers over the phone, by email, website, text or at your door. Being aware of the different types of scams out there and finding out about new ones is the best way to protect yourself... [More information](#)

## 4. Teaching kids about money

If you have a Communion or Confirmation coming up in your house, it might be a good time to teach your child about money. We've got some useful tips on ways you can encourage children to budget and save from an early age... [More information](#)

## 5. Recent product recalls

There have been a number of product recalls in the past few weeks. We have a list of these in the product safety section on our website and we also share them on our [Facebook page](#)... [More information](#)
