Feature of the month – switching your mortgage

You could save significant amounts of money by switching your mortgage to get a lower interest rate. Cashback and other special offers could end up costing you more money in the long run, so if you're switching, it pays to do your homework. Our mortgage comparison helps you to compare the costs and benefits of the different mortgages on offer -

Great results – thanks to you

We've published our 2016 Annual Report which details the work we carried out last year. We are very proud to have achieved a lot in terms of protecting consumers during that time, a lot of which was possible because of information you gave us. The activities featured in the report show the impact we are making on behalf of consumers, businesses and the economy -

Student current accounts

Now that you've started college, it's important to make sure you choose the right current account to help you balance college life and your personal life, especially if it's your first time living away from home. It can be tempting to go with the bank with the best freebies, but you should compare all the accounts on offer to find what suits you best -
